Entrant	Comments
Graham G3ZOD	Station: 20 Watts into an indoor dipole. 73 de Graham G3ZOD
Richard G6HH	Only two entries it was better than nothing! Richard
Emil I5EFO	Second session with WPX CW, but it was equally fun. 73 de Emil I5EFO

Cecil K5YQF	First session was pretty good and my best score. But pretty tough for the second session competing for a frequency with the WPX guys. CU in June. Cecil
Dennis K6DF	Bands were loaded with contest ops, also some QSB. Finally got a reply to my CQ from Cecil K5YQF for a short chat, tnx Cecil.
Clay KE5HL	Bands in pretty poor condition on both 5/14 and 5/28. Nonetheless, had a good time and looking forward to next month's Cumulatives dates.
Mike WH6YH	N4EEV / ex WH6YH Poor Conditions on the 14th allowed only 2 QSO while the 28th was a tough sell as WPX CW weekend ruled the bands. Still managed to make a few QSO anyway after playing in WPX. Interesting and very cool that that Joe WA4RTE, Dennis N3ER, Tim N3QE and Bob K5ME all stopped by to say hello during WPX; I guess they took pity on my FISTS Run station having no takers!! Too bad I could not get them to stay for another 4 minutes!! Oh well, maybe next month. I had a ball this month; Thanks for the QSO! 73 Mike
