Entrant	Comments
Emil I5EFO	Discreet propagation with European countries, not for DX. 73 de Emil I5EFO
Cecil K5YQF	Plagued by thunderstorms this month. Lightning limited me to 30 min first session and delayed start of second session 30 min. If not for WI5H as KN0WCW/5, score would have been even worse. Thanks Mike! I heard I2FIST but he was just running RST and Fists Nr. CU in August. 73's Cecil

Mike KN0WCW Hi,
July conditions have been about the same as June (not great at my QTH).
I worked 8 contacts as KN0WCW/5. One of the non-members was QRP. I QRT about
half an hour early today because of lightning.
73 until next time. Mike - WI5H #16705
