| <b>Tim AC5SH</b>   | Hello Gents Well, It's still the 7th in California :-)) I only made the one QSO in Cumulatives in December but I did follow it up with several more after the official operating period. I suppose we call that spillover benefit. I am sitting her working on The Americas KeyNote right now and hope to have it out very soon.<br>73 Tim, AC5SH   |
| <b>Tom AK4NY</b>   | First Sunday was busy due mostly to SKCC, the 24th was very nice. Not the greatest quantity but definitely the best quality for the cumulatives. A very enjoyable time. Again I would love to see more FISTS participation. Hope everyone had a happy and safe holiday season.. I hope to CU on the air. 73 de Tom  |
| <b>Emil I5EFO</b>  | Happy New Year 2018<br>HPE CUAGN. 73 de Emil I5EFO  |
| <b>Cecil K5YQF</b> | As the Cumulative event ends, I'd like to thank everyone for the QSOs. In Dec, 14 of my 16 QSOs were club members - nearly 90%. In the beginning, it was more like 50%. So the event looks like it paid off with more member activity. Let's keep it up. For 2018, I plan to be on most Sunday afternoons calling CQ FISTS. Here's hoping others will also -- and we can talk longer than 5 minutes! 73's Cecil #8077 |
| <b>Dennis K6DF</b> | Thanks to all of the stations I've contacted in this event over 2017. It was a fun event and I enjoyed every QSO. I hope everyone had a very good Holiday Season and I wish   |

Thanks you to all who have participated in Cumulatives Event and thanks to all who worked KN0WCW/5. Merry Christmas and a very Happy New Year! 73, Mike WI5H 16705 as KN0WCW/5 |
